

## Remote work: Home Office Chairs

Across UBC, departments (or individual units) are responsible for purchasing furniture and equipment for the UBC office and faculty and staff are responsible for purchasing furniture for their home offices. The purpose of this document is to provide cost-effective office chair options for home offices. The list below is not an exhaustive. If you need additional assistance, please contact [ergonomics.info@ubc.ca](mailto:ergonomics.info@ubc.ca). If financially possible, we encourage you to review our [standard list](#) of ergonomic office chairs.
